

ADMINISTRATIVE COMMISSION OF THE RIVER URUGUAY

PLENARY: 11-02-00

MINUTES NO.: 02-00

RESOLUTION NO. 3/00

Paysandú, 11 February 2000

MINDFUL OF: the proposal made by the Subcommission of Water Quality and Prevention of Environmental Pollution, and

CONSIDERING: 1) That a study on the zoning of the River, in the stretch under its jurisdiction has been drafted, in compliance with the provisions made in the Digest on Uses and Exploitation of the River Uruguay; Topic E3. Contamination. Title 2. On the Prevention of Pollution; Chapter 1: Competences; Section 1. On Competences. Article 1), paragraph b):

2) That it is considered necessary in this case to highlight the importance of the technical report, which is designed to preserve water quality, in accordance with the uses established in the said Digest on Uses and Exploitation of the River Uruguay;

3) That CARU advisors, specialists in the matter, who belong to the competent bodies of the States Parties have intervened in its drafting, and as a result of scientifically sustainable studies and investigations of criteria in the design of these specific zones;

4) That the Legal Advisor of the Commission has duly intervened:

IN VIEW OF: the competences and responsibilities conferred by the River Uruguay Statute;

THE ADMINISTRATIVE COMMISSION OF THE RIVER URUGUAY
RESOLVES:

ARTICLE 1. To adopt the regulations on "Zoning of the River Uruguay" in the stretch of river included within its jurisdiction, which is attached as an integral part of the present Resolution.

ARTICLE 2. To submit to the respective Foreign Ministries the corresponding draft of the Note Reversal, for its consideration and effects.

ARTICLE 3. To inform and submit to the Administrative and Technical Secretariats as required and to file.
