While at home, drinking mate, I began to smell a nauseating odour, like that of sewers. As I am allergic and have asthma, it quickly caused me a headache and, then, my throat and nose began to itch and I started to sneeze. All of this evidenced inflammation of my respiratory tract. As I did not know the cause for it, I took the medicine prescribed by my regular pulmonologist.

These presents were read out to the person making the complaint and its contents ratified by such person. CERTIFIED by me in my capacity as Undersecretary for Health and Environment of the municipality of San José de Gualeguaychu.
